GENERAL INFORMATION AND INSTRUCTIONS

This *Interagency Biographical and Financial Report* (report) is used by individuals¹ in conjunction with other corporate filings to the appropriate regulatory agency. This report is *not* a stand-alone document.

Preparation

Use of this report format is not mandatory. If an alternative format is used, it must provide all requested information, including the certification. All questions must be answered with complete and accurate information that is subject to verification. If the answer is "none," "not applicable," or "unknown," so state. Answers of "unknown" or "yes" should be explained.

The questions are not intended to limit the presentation nor are the questions intended to duplicate information supplied on another form or in an exhibit. For example, a cross-reference to the information is acceptable. *Any cross-reference must be made to a specific cite or location in the documents, so the information can be located easily.* Use additional sheets as necessary. Each regulatory agency will provide additional instructions for use and preparation. If the report is not complete, the regulatory agency may either request additional information or return the filing. If you are a foreign national or a United States citizen who currently resides in a foreign country, additional information may be necessary.

Financial statements from individuals must have "as of" dates of not more than 90 days prior to the date the financial report is submitted. All amounts in this report must be based on

¹ A company seeking to acquire direct or indirect control of a bank or thrift should consult with the appropriate regulatory agency for filing instructions.

current market value in United States dollars² and agree with any totals in the supplementary schedules. In addition to the sample financial schedules, you may wish to provide supplementary schedules for other items on the financial statement. If the sample financial statement is used, an answer is required to each item. If you submit an alternative Financial Report format, the information must respond to each request for information contained in the sample Financial Report.

In addition, each regulatory agency specifically reserves the right to require up to five years of financial data from any acquiring person as well as the filing of additional information and/or statements, such as a federal income tax return or a current appraisal to support an asset's value.

If you have been convicted of any criminal offense involving dishonesty, breach of trust, or money laundering, or have agreed to enter into a pretrial diversion or similar program in connection with a prosecution of such offense (12 U.S.C. § 1829), you must obtain approval from the FDIC before you can own, control, participate in the affairs of, or become an institution-affiliated party of a depository institution.

Each individual must report promptly any material change in the biographical report or financial condition that occurs during the review period for the filing. For additional information regarding the processing procedures and guidelines and any supplemental information that may be required, refer to the appropriate regulatory agency's procedural guidelines (that is, the *Comptroller's Licensing Manual*, the FDIC's Rules and Regulations (12 C.F.R. Part 303), or the OTS' *Application Processing Handbook*), contact the agency directly for specific instruction, or visit its Web site at www.occ.treas.gov, www.fdic.gov, www.ots.treas.gov, or www.federalreserve.gov.

I, the undersigned, a (proposed) director of the above-named bank do solemnly swear (affirm) that:

As a director, I have a legal responsibility and fiduciary duty to shareholders to administer the depository institution's affairs faithfully and to oversee its management.
